

2013 Griot Cellars Cuvée du Griot

Our “blend of the storyteller” was created in a traditional Bordeaux style blend known as “Claret.” The 2013 vintage release of Cuvée du Griot is composed of 31% Cabernet Sauvignon, 25% Syrah, 25% Malbec, 18% Merlot and 1% Petit Verdot.

Sourced from four different vineyards located within the Napa Valley and Paso Robles, the cuvée features Cabernet Sauvignon from both Napa Valley and Paso Robles, Syrah from Napa Valley, Merlot from both Napa Valley and Paso Robles, Malbec and Petit Verdot from Paso Robles. Each varietal were coveted because of their distinct fruit flavors and the ideal locations of each planting.

The five varietals were harvested by hand, aged for 18 months in French oak barrels, and then blended to heighten the essence of dark fruit flavors and terroir expressed in this distinctive cuvée.
